*Dear Steve:*

*Thank you for your letter of November 21, and I understand why Jeff decided to stay put and I really appreciated the way you handled the matter. The funny thing is when Brian Cashman and Bob Watson were in a meeting they mentioned to all of us that when I was asking who are the agents, he mentioned you, and I said to him, "I know Steve Pierce. I haven't been in touch with him in some time, but I remember I dealt with him quite a few years ago and he is a good and honest guy." So I doubly appreciate getting your letter and I wish you continued good luck.*

*Thanks again for your letter.*

*Best regards,*
